

LET'S DO AMAZING THINGS TOGETHER

EMBRY-RIDDLE
Aeronautical University™

BOEING IS EMBRY-RIDDLE'S #1 EMPLOYER!

Boeing is a place where amazing people achieve amazing things. You can transform aerospace, make history—and even change the world. It's an exciting place to discover your career as you work alongside experts and visionaries who teach and inspire. Our workforce includes every profession and career path you can imagine taking you as far as you can dream.

THERE ARE SUMMER SCHOLARSHIPS AVAILABLE!

The Boeing Company is giving full ride scholarships, valued at \$900-\$1100, to high school students interested in attending an Engineering Summer Camp at the Prescott or Daytona Beach Campus Summer 2015.

If you're currently in high school and interested in the engineering and aerospace fields apply for a scholarship online at our website summercamps.erau.edu. This opportunity will allow you to get a first look at the engineering and aerospace career field.
