

NAVY STEM

\$10,000

COLLEGE SCHOLARSHIPS

How It Works

The Navy STEM Student Scholarship is open to all rising freshman students pursuing a science, technology, engineering or mathematics (STEM) degree at an American-Indian or Alaskan Native-serving institution or tribal college. Recipients will be chosen by AISES based on the quality of their applications. **Applications open late February and close in May 2015.**

Eligibility Requirements

- U.S. Citizen
- Enrolled or accepted for enrollment as a full-time degree-seeking student at a minority serving institution
- Pursuing a STEM degree
- 3.0 GPA or higher
- Able to obtain a secret security clearance
- Demonstrates clear financial need

TO APPLY:

www.aises.org/scholarships

Scholarship acceptance does not obligate student to serve in the U.S. Navy.
